

NOTICE as of January 21, 2022

Children's Centre Thunder Bay is open and providing our full range of services

- ✓ Monday and Friday from 8:30 to 4:30
- ✓ Tuesday, Wednesday and Thursday from 8am to 6 pm

We are accepting referrals for all of our services. In order to ensure the health and safety of our staff and the clients we serve, we will continue to follow current public health guidelines. The following Infection Prevention and Control measures are in place at our Centre:

- **SCREENING** - Employees, contractors, clients and visitors may not enter the building if they have any of the COVID-19 symptoms listed on the signage at the entrance. Please review the screening information prior to entering the building.
- **HAND HYGIENE** - All people entering our work places must follow proper hand hygiene and sanitize upon entry, and on a regular basis throughout the day.
- **MASKS** - Masks are required when you are in common areas such as reception, the foyer, or hallways. Once you are in an office or counseling space and can maintain physical distancing, you may remove your mask if you so choose. No cloth masks - we have masks available for those who need one.
- **DISTANCING** – you are required to maintain recommended physical distancing requirements. This includes limiting room occupancy to recommended number identified for the area/room.
- **VIRTUAL SERVICES** - We have extended our in-person service offerings. Services are generally being provided in-person. When requested by the client, virtual services will continue to be provided. We encourage you to discuss service options with your worker.
- **SICK** - If you are sick do not come to our office or other work spaces. If you have an appointment please call your worker and follow public health advice regarding self-isolation.

For further information you can call the Centre at 807-343-5000
